

10-year (120-month) route to settlement

Tips for applications

Tip 1

RECORD THE
DATE OF EXPIRY

Each time you are granted Leave to Remain (LTR), remember to **record the date that it expires**. You must apply to extend it in the **28 days BEFORE** your LTR expires (or apply for a Fee Waiver if you cannot afford the fee). No one will remind you of this date so be sure to remember.

During your 30 months of LTR keep **evidence of your residence in the UK**, including letters received, bank statements, utility bills and school reports.

Tip 2

KEEP EVIDENCE OF
YOUR RESIDENCE

Tip 3

KEEP EVIDENCE OF
YOUR FINANCES

Work out if you can **afford the fee for each family member**. If you cannot, you will need to ask for a Fee Waiver. If you think you might need a Fee Waiver, remember to **keep evidence of your finances for at least 6 months** before your LTR expires.

With LTR you can live, work, travel, rent, hold a bank account, drive, get free NHS treatment. You may be able to access benefits if the No Recourse to Public Funds condition is lifted. But **if your extension application is lodged late, you will lose these rights**. It is **your responsibility** to apply in time.

Tip 4

APPLY ON TIME

Tip 5

USE YOUR BRP
WHEN YOU TRAVEL

When you travel:

- Use your BRP **and** your passport.
- Limit absences to 3 months in every 12 if you can.
